Tomorrow waits like an elusive sail floating in the distance, holding promises of happiness, darting to and fro on the waves of life. Sometimes it nearly capsizes, only to be pulled upright by some invisible force, to continue on its journey of living. Perhaps we'll dock at the same harbor someday.

The educators and staff at Indian Valley North have given their best to make the 1976-1977 school year an interesting and productive one. Hopefully, the students have prospered from the variety of lessons and projects the teachers and administrators have provided.

## CONCERNED ADMINISTRA- TION

The Indian Valley Board of Education, Mr. Shriver, and Mr. Gartrell faced many challenging situations during the 1976-1977 school year. Their primary goal was to provide the best education possible to all students in the Indian Valley District.

## COUNSELOR ASSISTS STUDENTS

Mr. Caviness, guidance counselor, was kept busy again this year scheduling college visitations, college preparatory tests, and assisting students in choosing the right course of study.

Assisting Mr. Caviness are five guidance aides: Marla Bolon, Lisa Lentz, Carla Barnett, Glenda Simmons, and Mary Kriviski. Their jobs consist of typing, filing, and numerous other secretarial tasks.

## SERVICE

Once again this year, Mrs. Honaker, our service-oriented librarian, kept her team of faithful library aides hard at work. In addition to clipping papers for files and operating and delivering the A-V equipment, the aides also assisted with routine tasks such as shelving books and keeping the library's over 5,000 volumes in good shape.

# POPULAR COURSES

Social studies were again popular at IVN - both required classes and electives. American and World Histories were taught by Mr. Starr, while the seniors were instructed in the procedures of government by Mr. Baughman, who also handled current events and civics. North students also gathered knowledge from sociology, a young course taught by Mr. Wenger.

In other areas of the English Department, Mrs. Goforth and Ms. Donne are stressing comprehension, developmental reading, and research writing, trying to get across the application of basic grammatical skills in everyday life.

Ms. Donne, in her first year at North, taught Spanish culture, as well as vocabulary and the six verb tenses.

Mr. Hamilton worked hard to make German a pleasant learning experience. He introduced his students to the basic pronunciation and recognition of German. Special efforts were made to get his students to realize the important German contributions to America's success.

# MORE STUDENTS JOIN BAND AND CHORUS

The music department at North is under the supervision of Mrs. Marva Feiszli. Mrs. Feiszli, in her second year at North, is pleased with the increased enrollment in both band and chorus. Both groups practiced long and hard to participate in the county solo and ensemble contest, and the district band contest. Many money making projects were held to purchase new instruments and music.

## INCREASING THEIR SKILLS

Students in Mr. Hykes' class have worked hard this year acquiring and increasing their basic skills. They study the main courses needed to graduate, science, English, history, math, etc.

We have a new work study coordinator, Mr. Zlot-  
liver, who helps find jobs for the seniors in the program.

One very important activity for the students is their participation in the Special Olympics. Many will enter such sports as softball, 100 yard dash, 50 yard dash, 140 relay, high jump, and standing long jump.

## OUR HELPERS

The cafeteria has an addition this year with the start of the à la carte lunches. Each student has his choice to eat from the à la carte or the regular cafeteria. Each meal was tasty and nutritious.

The custodians spend many long hours at the school making a clean and respectable place to learn.

The bus drivers have made it through another year without any trouble. Their job was a tough one, especially with all the ice and snow we had this winter.

## THE

## A C T I V E

The variety of activities found at Indian Valley North gives each student an opportunity to get involved with his school and the people in it. The students get to express themselves through band, the science fair, chorus, and other interesting activities. A feeling of pride is felt when something successful is accomplished, such as the opening of the play, the prom, or a new issue of the BLUE STREAK.

Leading the Big Blue Marching Band for the 1976-1977 year were four high-stepping senior majorettes. In preparation for the 1976 football season, the majorettes attended the Smith-Walbridge Camp at Marietta where they all received superior ratings individually and as a group.

In addition to the majorettes were the flag corps, who also helped in entertaining the audiences by performing different routines and drills. The flag corps also attended a clinic at New Philadelphia where they learned various techniques in twirling a flag.

# NEW UNIFORMS

Under the direction of Mrs. Marva Felszli, the Big Blue Marching Band had a very successful year with the added attraction of new band uniforms. The band not only looked terrific, but sounded fantastic with the growth in membership.

The band participated in the New Philadelphia and Garaway Previews, County Bandarama, many parades and football halftime shows, and travelled to Columbus to compete in the State Fair, but was rained out.

Mr. Ron McConnell, with a year of experience under his belt, led the Publications Class to the achievement of their major goal in 1976-1977 - making the newspaper and yearbook financially sound while still producing first rate issues of the BLUE STREAK and meeting the deadlines for the POLARIS.

The staff worked hard, starting in September with the sale of Big Blue tams, candy bars, and finally, the first annual Christmas toy give-away.

Although excellent salespeople, the staffers also spent endless hours planning layouts for the yearbook, writing and rewriting articles, and selling ads to local businessmen.

# TWO NIGHTS

Donald Payton's DEADLY EARNEST was presented April 22 and 23. Mr. Michael Hamilton directed the performances, and Mrs. Linda McCutcheon volunteered her make-up expertise.

Jim Celuch who played Henry Gilcrest did an excellent job of portraying the serious and humorous facets of the character. Mary Kriviski also gave a fine performance. The audiences seemed to find Clarissa (Mary Ellen Kollman) and Ernestine (Carolyn Kriviski) very amusing characters. The quality performances of the other cast members greatly aided the success of the play.

## THE

## E N E R G E T I C

Winning seasons dominated the sports scene this past year, because of the enthusiasm and determination to win. Both the girls' volleyball and basketball teams won the District Championships, for the second year in a row. Boys' basketball also came out on top with a 16-3 record and only 2 senior players on the team.

All in all, the 1976-77 school year was a good one for the participants and fans at IVN.

Offensively, this year's Big Blue team averaged 11 points per game with their best effort against Strasburg scoring 28 points.

The Big Blue defense yielded an average of 16 points per game. The high points for the defense this year were the first three games in which the defense allowed only 20 points against Meadowbrook, Tusky Valley, and Malvern.

Though the Big Blue lost six games to end the football campaign with a 4-6 record, this year's football squad stayed strong in three of their losses until the last quarter when unexpected breaks went against the Big Blue team. The down point in the season was the controversial loss to Garaway in the closing seconds of the game, 14-13. After this loss the Big Blue ended their season with one win in their last four games. All in all, we cannot complain because the team tried their best.

With a 10-9 record, the varsity basketball team wasn't as outstanding as the year before. However, the players gave the fans many thrills with last second victories over Hiland and Sebring. Losing only two seniors from this year's team, next year's varsity should continue to improve and provide the fans with many victories.

# EXPERIENCE GAINED

Under the direction of Coach Starr, the reserve cagers finished with a 4-8 record. Although not having an outstanding slate, the boys reserve team gained valuable experience, which will be useful in the future.

# YOUNG AND INEXPERIENCED

This year's freshman team, lacking the size of most of their opponents, came away with a 3-10 record. Although Coach Baughman's team finished poorly, they never gave up. This, together with their enthusiasm, makes the future of I.V.N. basketball look bright.

# SWEET SUCCESS

The girls basketball team had a very successful season. They finished with a fine record of 9 wins and 3 losses. With a record of 8-2 in the Inter-Valley Conference, the girls took the runner-up trophy.

Being the top-seeded team in the tournaments, the girls drew a bye and played Hiland to advance to the district play. In the first round, the Big Blue defeated Newcomerstown 36-28. In the finals they beat Shadyside 46-32.

# THREE LETTERMEN RETURN

The 1977 Big Blue track team opened its season with three returning lettermen. They were Don Rosser, Tony Carlisle, and Albert Butcher.

Depth proved to be a major factor as the Big Blue lost to Newcomerstown and Ridgewood in dual meets. The Big Blue track squad beat Central Catholic, Strasburg, and Jewett-Scio.

The only individual to get out of the Sectional Meet was Don Rosser who competes in the discus throw.

The Big Blue girls track team finished with a record of 4 wins and 3 losses, but were unbeaten in field events.

The team had two seniors Amy Stanley and Sue Halter, five juniors, twelve sophomores and nine freshmen.

A pre-sectional was held at Garaway with many girls qualifying for the sectional track meet. From the sectionals 7 girls made it to the districts in upper Arlington. Amy Stanley placed fourth in the discus and first in shot put with a throw of 38' to take first place to go to the State Track Meet in Columbus. Teresa Schupp also took second place in the low hurdles to go to State.

## JUNIOR

Preparing the students for life at the high school level, the junior high offers such courses as shop and home economics in addition to regular academic classes. Together with the sports and various projects, the students of Indian Valley North Junior High are looking forward to an active high school career.

The elementary children are striving hard to attain a good understanding of the basics of education, while enjoying good times with their friends.

## **WE APPRECIATE**

Mr. Jenkins and Mr. Gartrell, along with their competent faculty and staff did an excellent job again this year of providing the elementary and junior high students of I.V.N. with the best possible atmosphere conducive to learning. Their interest and concern is very much appreciated.

## STAFF KEPT BUSY

This year the junior high school was again served well by its staff. The aides helped students in many classes. Our custodians worked hard to keep the school in good shape. The cooks kept busy preparing good meals for everyone at the Tuscarawas building.

## A black and white photograph of a large group of young people, likely a school group, posing in front of a building with columns. The group is arranged in several rows, with some individuals standing and others possibly sitting or kneeling in the front. They are dressed in mid-20th-century attire. The background shows the facade of a building with prominent columns.

The chorus this year is comprised of all seventh grade classes. They sang at the school's open house and the Christmas and Spring Concerts. They also participated in a music clinic. Some of their favorite songs are 'Which Way America' and 'Flower in the Wind.'
